

# **Closing the Achievement Gap through Powerful Pedagogy**

**Dr. Tammy Campbell**

**Executive Director of Teaching and Learning Services,  
Spokane Public Schools**

## **Description of the Action Lab**

*How to Reach and Teach Each Child...* Participants will engage in an interactive session in which we will look at ‘gap-closing’ research-based instructional practices. We will examine habits of thinking and leading that promotes high achieving classrooms and schools where students from ALL backgrounds are successful.

## **About Dr. Tammy Campbell**

Currently the executive director of Teaching and Learning Services with the Spokane School District, Dr. Campbell has over twelve years’ experience as an educator, having served as a principal, math staff developer, and classroom teacher. Tammy is an Adjunct Professor for the WSU Principal Certification Program and serves as a consultant for many schools and districts.

## **Target Audience**

**Teachers and Administrators**
